

Saturday electronics recycling

Beginning November 5, 2011, a monthly Saturday an electronics recycling event will be held from **9:00 a.m. to 3:00p.m.** at the Kingwood Metro Transit Center (**1st Saturday** of the month) 3210 West Lake Houston Parkway

CompuCycle is the first R2 certified, locally owned company in Houston. In addition to rigorous audits, the R2 certification requires that all hard drives are either destroyed through the industrial strength hard drive shredder or undergoes a standard three-pass wipe through United States Department of Defense compliant data erasure software that removes all partitions, tables and drive formats.

Items accepted:

PCs, servers, keyboards, mice, laptops, game consoles, monitors, small kitchen appliances, memory chips, hubs and routers, printers, copiers, scanners, fax machines, projectors, rechargeable batteries, cable boxes, car batteries, telephones, cell phones, PDAs, tape drives, hard drives, cords, cables and cameras.

"We appreciate the City of Houston adding this great amenity to our district," said Council Member Mike Sullivan. "This is a great service to the residents of District E who have always expressed an interest in recycling."
